This is what they had to say about us :

- ◆◆◆◆ Nothing can really prepare you for an encounter with The Ketapang Estate. A private road weaves through green fields as invisible fingers gently turn up the volume of the surf. Over the knolls and tropical jungle, coconut palms nod their heads, a thatched dome rises followed by a majestic rooftop pavilion. From the edges of a beautiful dream, the Ketapang Estate is stirring into view. Every beat joins in chorus from everywhere on this 2.5 hectare property.
  
- ◆◆◆◆ Each of the villas has its own unique charm and character, some which are elegant traditional javanese houses or joglos. Attractive, antique wooden carvings adorn the rooms while highly polished wood floors, open air bathrooms and private jacuzzis are some of the special touches that gives each villa its own individual style.
  
- ◆◆◆◆ With 300 meters of stunning uninterrupted black volcanic beach and an olympic length infinity pool facing the breath taking Indian Ocean, this resort is a visual feast of ocean and picturesque padi fields.
  
- ◆◆◆◆ The exclusivity and privacy of this estate is what sets it apart from the others.
